

Internet and Manufacturer Coupons

Coupons are a great way to save even more money when shopping at Carnival Foods and it's easy to use them at our stores. We gladly accept Internet Coupons and Manufacturer Coupons.

Because of the variety of coupons available to our guests, we do have some guidelines for how coupons can be redeemed at Carnival Foods.

- Coupons must be original (no photo copies)
- The coupons cannot exceed \$5.00 or be for a free offer
- Two (2) internet coupons per manufacturer, per product, per visit, per day
- It must say Internet Coupon or Manufacturer Coupon at the top
- Coupons must have a scan-able barcode
- Coupons must have an expiration date that has not passed
- Coupons presented and items purchased must match exactly: size, variety, flavor, etc.
- We accept only one manufacturer coupon per purchased item
- Coupons must have valid remit address for the manufacturer
- We uphold any purchase stipulations set forth by the product manufacturer
- We do not accept coupons from other retailers
- Customer is responsible for tax on all items even "Free" items or "Buy One Get One" items
- We cannot give cash back if the face value of a coupon is greater than the purchase value of the item
- We do not accept coupons for more than 75% of a product's value. Legitimate PAH (print at home) coupons will not be for a high value relative to the cost of the item. For example, a \$2 off coupon will be acceptable for a product that normally sells for \$5 or more, but a \$2 off printable coupon for a product that sells for \$2.25 is unlikely to be legitimate.
- The Store Manager has the right to accept, decline or limit the use of ANY coupon upon view, limit the Quantity of coupons/items used/purchased in a single transaction, by a single customer or in a single day

Carnival Foods WILL NOT accept the following:

- Manufacturer's coupons that do not scan
- Expired coupons
- Coupons for products not sold at Carnival Foods
- FREE item coupons if printed from the Internet
- Coupons will be rejected if they appear to have been altered in any way
- Coupons will be rejected if they appear out of proportion or blurry, or are obvious duplicates. Legitimate PAH (print at home) coupons are never copied, sold or traded. Nearly all coupons are "non-transferable" meaning they should not be photocopied or scanned and distributed to others.
- Carnival Foods does not double coupons
- Limit one (1) manufacturer coupon per item
- Amount refunded cannot exceed the price of the item
- All manufacturer coupons will be redeemed at Face Value Only for product only – not cash
